**Past performance is not a reliable indicator of future performance. Markets could develop very differently in the future. It can help you to assess how the fund has been managed in the past.**

Performance is shown after deduction of ongoing charges. Any entry and exit charges are excluded from the calculation.

Temple Bar Investment Trust plc was incorporated on 24 June 1926.

## Risk Warnings

*This document is for information purposes only and does not constitute an offer or invitation to purchase shares in the Company and has not been prepared in connection with any such offer or invitation. Before investing in the Company, or any other investment product, you should satisfy yourself as to its suitability and the risks involved, and you may wish to consult a financial adviser.*

Any return you receive depends on future market performance and is uncertain. The Company does not seek any protection from future market performance so you could lose some or all of your investment. For information on the principal risks the Company is exposed to please refer to the Company's Annual Report or Investor Disclosure Document available at [www.templebarinvestments.co.uk/](http://www.templebarinvestments.co.uk/).

Shares in the Company are bought and sold on the London Stock Exchange. The price you pay or receive, like other listed shares, is determined by supply and demand and may be at a discount or premium to the underlying net asset value of the Company. Usually, at any given time, the price you pay for a share will be higher than the price you could sell it.

The Company has increased its exposure to investments through the use borrowings, and this could potentially magnify any losses or gains made by the Company. The Annual Report and Investor Disclosure Document, available on the Company's website, include further details on the borrowings.
